Call for Papers

We are pleased to announce the new international, peer-reviewed journal, *Immuno-Gastroenterology*.

In July of 2012 we will launch *Immuno-Gastroenterology* (IG), and it will cover important immunological aspects of both Clinical and Experimental Gastrointestinal tract and Hepatobiliary system disorders.

<http://www.stmconnect.com/ig>

The sections covered by IG include:

- Hepatobiliary diseases (autoimmune hepatitis, primary biliary cirrhosis/primary sclerosing cholangitis and overlap syndromes, alcoholic and non-alcoholic fatty liver diseases, viral hepatitis, drug-induced liver disease)
- Liver regeneration and transplantation
- Stem cells in Gastrointestinal, Pancreatic and Liver diseases
- Hepatobiliary cancer immunology
- Gastrointestinal and Pancreatic cancer immunology
- Inflammatory bowel diseases immunology
- Autoimmune pancreatic diseases
- Gut immune system (includes innate and adaptive immune system, hormones, intestinal epithelial immune barrier, homeostasis, microbiota, commensal bacteria, etc.)
- *Helicobacter pylori*
- Brain-gut axis/neurodegenerative immune mechanisms/disorders
- Nutritional immunology, immunological tolerance and autoimmunity, autophagy in the adaptive immune response, immunosenescence

Each issue of IG will be published each quarter. Submissions and peer review will be rapid and handled online.

IG utilizes an online submission and tracking system which is designed to provide a better, more efficient service to authors:
